# BIBLIOGRAPHY ON THE ASSASSINATION

# OF PRESIDENT JOHN F. KENNEDY

## Acknowledgment of Credit and Format Explanation

The Assassination Inquiry Committee has compiled this checklist of publications on the murder of President Kennedy by utilizing a number of bibliographies compiled by others. We wish to thank Allan Swartz, A.W. Brussels, and especially Thomas M. McDade, whose compilation ("The Assassination Industry") appeared in the American Book Collector, Summer Edition, 1968 (vol. XVIII, #10). To these men goes the credit for this list. No doubt there are important ommisions below; we hereby solicit your suggestions for corrections, additions or subtractions.

Authors are arranged alphabetically. Titles are underlined. Publisher and site of publication, where known, are given. Newspapers, magazines and other periodicals are included only where an entire issue is devoted to the subject of the assassination. Finally, comments following book descriptions are those of Mr. McDade. As he explains, they are "intended only to advise the reader of the nature of the book's content when this fact is not revealed by the title; no critical comment is intended."
